

This term's big question
How do rivers affect our lives?

Overview

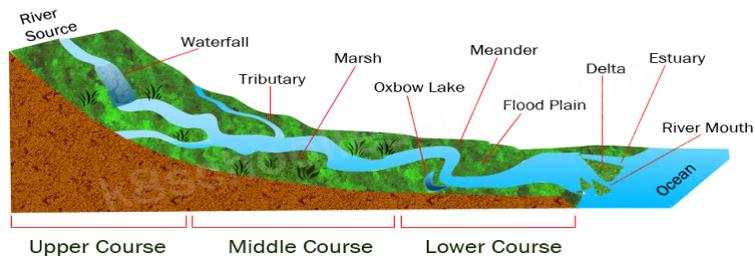

We are pleased to welcome the children back after the Christmas holiday. We hope you are looking forward to continuing your learning journey in Term 3.

Trips, visits and events

Abbott diabetic care, Wykham park science trip, Safer internet day.

Topic—Rivers and their impact on humans.

Discover how rivers shape the landscape around them. What role do they play in the development of towns and cities? Why do people want to live by rivers? Can you name and locate some British rivers? Can you explain the course of a river?
