

*Thank you to our whole school community for your support and flexibility during the coronavirus pandemic. It has been hugely appreciated by us all at Harriers. We look forward to seeing you all in September and wish you a lovely summer holiday.*

### A lovely 'Thank You'

A lovely surprise to greet us all as we arrived for the final Monday of the school year. It has made us all smile. The staff have been amazing throughout and it is lovely that this is appreciated so much. Thank you to the mystery banner maker(s) and to all of our school community for your continued support.

### Forest School

Our staff have been working really hard after school to get the forest school ready for September.

## Mr Bee and the bees!

We had some unexpected visitors to school this week. We thought it was best to see if Mr Bee could ask them if they needed anything, but that didn't work. Fortunately, Mrs Coghlan's dad was on hand to help them move on and he had a very willing helper in Miss Butler!

We've spotted a lot of wildlife at Harriers recently; badgers, foxes, deer and now a friendly swarm of bees.

## Virtual Sports Day

Well done to those of you who took part in our virtual Sports Day and submitted your data.

- 1st Neptune
- 2nd Mars
- 3rd Saturn
- 4th Jupiter

## Camping out at home

Year 4 missed their camp out but marked the occasion at home. Here's some of their photos.

## Ordering uniform from Cross Embroidery

**Cross Embroidery**

Early orders are essential this year. There are two options to ensure that you have the correct uniform for the new school term.

Social Distancing means that customers are unable to enter the store without a pre-booked appointment. Or having been told that their order is ready for collection.

**Option 1- Reception & Year 7 pupils**

**Fitting service - Throughout July**  
- 15 minute appointment  
- Try on uniform to get correct sizes  
- Take items away with you or place on order

**Option 2- All existing pupils**

**Click & Collect service - Throughout July & August**  
- Place order through our website  
- Chance to try sizes when collecting order

In addition to this we have used our car parking spaces to give customers a safe and distanced place to queue, therefore car parking is not available.

All orders will be treated as first come first serve. We would encourage all parents/carers to place their order as soon as possible to give us all the best back to school possible. We cannot guarantee late orders will be fulfilled in time for the new term.

We look forward to seeing you all soon and making your back to school as smooth as possible.  
Thank you for your co-operation.

## Advice for parents during coronavirus

Whilst coronavirus is infectious to children it is rarely serious. If your child is unwell it is likely to be a non-coronavirus illness, rather than coronavirus itself. Whilst it is extremely important to follow Government advice to stay at home during this period, it can be confusing to know what to do when your child is unwell or injured.

Remember that NHS 111, GPs and hospitals are still providing the same safe care that they have always done. Here is some advice to help: [Covid 19 advice for parents when child is unwell or injured](#)

## OCC Road Safety Education Team: Parent information for Year 6 children

Your child is about to go through some big changes in their life, moving from Primary School up to Secondary School. There will be lots for you both to think about but it's important to begin to prepare your child for the new journey from home to school.
