Harriers Wraparound “The Nest” - September 2020

Dear Parents / Carers

We hope that you are continuing to stay safe and well.

This has been a really challenging time for us all. As we plan for the future, we are mindful of keeping everyone safe. This means modifications to our provision for at least the first term, to ensure government guidelines are adhered to at all times.

We are able to offer wraparound care on a limited basis from 21st September. This will include Breakfast Club from 8:00am and Afterschool Club until 5:00pm. The service may be limited to childcare only, unless guidance in September confirms we may offer food and drink. Bookings will need to be made for the term, in advance, so that we can ensure consistent staffing and social distancing. Based on responses to our recent questionnaire, we hope to meet the majority of your childcare needs.

What happens next

Please email the office via office@harriers-aspirations.org by Friday 4th 2020 September to confirm what sessions you desire for your child/ren for the whole term (ie between Monday 21st September and Friday 23rd October). Bookings will be made on a first come, first served basis.

We will confirm all allocated sessions the week commencing Monday 7th September.

Once we have confirmed bookings, no further bookings will be available. Cancellations will still be charged as we are, for safety, unable to admit additional children but will have ongoing staffing requirements.

We appreciate there are still some things unknown but we wanted to give as much advance notice as possible to help with your planning. We look forward to welcoming the children back in to The Nest in September.

Yours sincerely,

Mr Alex Pearson
