

Term 6 Topic - What do you suggest makes the perfect garden?

YEAR 1 - Term 6 Week 7 school closure emergency lessons

	Lesson 1 (15 mins Phonics)	Lesson 2		Lesson 3		Lesson 4	
M O N	<p>Starter: Revise all phase 2-5 sounds on PhonicsPlay, using flashcard speed trial or time challenge.</p> <p>Main: Play bingo with split digraph u_e words: cube, prune, tube, flute, salute, fortune, excuse</p>	<p>Literacy -</p> <p>This week we would like the children to reflect on their time at school and write about their favourite memories. This could be their friendships, their favourite trip or the most enjoyable topic they learned about. We would also like them to think about next year and write about anything that they are particularly looking forward to - this could be spending time with a new class, meeting their new teacher, learning about a specific topic, or just getting older!</p> <p>Home learning: If you would like to send in to your class teacher, please do!</p>		<p>White rose home learning week 11 Lesson 1: find a half What does a half mean? If you had an apple and cut it in half, how many pieces would you have? Watch the video, pausing at the correct place to have a go. Talk and discuss the slides. Ask the children to complete the worksheets.</p>		<p>PE -</p> <p>Cosmic Kids yoga: https://www.youtube.com/watch?v=rnIDBKD2S78</p> <p>Forest School</p>	
T U E S	<p>Starter: Revise all phase 2-5 sounds on PhonicsPlay, using flashcard speed trial or time challenge.</p> <p>Main: Play buried treasure and revise all phase 5 sounds.</p>	<p>Literacy -</p> <p>Today we would like the children to complete an 'All About Me' sheet to give to their new teacher for September. This will give the children an opportunity to tell their teacher all about their interests, hobbies, family and share interesting facts about their lives! You can carry on with this during tomorrow's lesson/</p>		<p>White rose home learning week 11 Lesson 3: find a quarter. What is a quarter? Can the children remember what a half is? Watch the video, pausing at the correct place to discuss the slides. How many pieces would you have if you cut a pizza into quarters? Continue watching the video and complete the worksheets.</p>		<p>Science -</p> <p>Complete the seasons quiz: https://www.educationquizzes.com/ks1/science/seasons-and-weather-the-changing-seasons/ How many did you get right?</p> <p>Complete the seasons wheel (attached to bottom of plan). Draw pictures of the weather/clothing/events that are associated with each season.</p>

F R I		<p>Party games</p>					

Term 6 Topic - What do you suggest makes the perfect garden?

Seasons Wheel

Make your own Season Wheel by following the instructions:

1. For each season, draw a picture of the weather.
2. If you can, think of an event that happens in each season. It could be a celebration, a holiday or an important occasion, like a birthday. Add it to your wheel.
3. Add small arrows to your wheel to show which way the seasons go.
4. Carefully cut out your wheel.
