

This term's Big Question

Can we create the perfect conditions to grow fruit and vegetables?

Overview

In this project, pupils will become gardeners and attempt to create the perfect conditions to grow fruit and vegetables.

Trips, visits and events

We will be spending lots of time outside either in the vegetable patch or forest school!

Topic

Key facts:

Plants need to be grown in the right climate in order to survive. They need the correct amount of water, sunlight, temperature and nutrients to grow.

Key vocabulary:

Nutrients
Soil
Grow
Climate

Harriers Banbury Academy

Year 2 knowledge organiser

Term 5

Aspiration:

Spirit of adventure

Science

Key facts:

Plants are just like humans - They need the right nutrients, water and climate to survive! Flowering plants cycle: seeds, germinate, root growth, Leaf growth, flower growth, seed dispersal! This repeats over and over!

Key vocabulary:

Seed
Germinate
Roots
Pollen

PE

We will be doing PE on Mondays and Wednesdays. The children will need both indoor and outdoor kits please

Maths - Time

Key facts:

There are 60 seconds in a minute. 60 minutes in an hour. 24 hours in a day.

Counting in 5's is a really important skill when it comes to telling the time. It is also incredibly important to practise, practise, practise this skill!

Key vocabulary:

O'clock
Half past
Quarter past
Quarter to

English

Our text:

How did that get in my lunch box? The story of food.

Blue/Blew
Knight/night
Sea/see
There/they're/their
Hear/here
Too/to/two
Sun./son

Key vocabulary:

Grow
Growth
Nutrients

PSHE / SMSC/ British Values:

We will be focusing on growing and changing.

- Identify which parts of the human body are private;
- Understand that humans mostly have the same body parts but that they can look different from person to person.
- Help themselves and others develop a positive attitude that support their wellbeing;
- Recognise the range of feelings that are associated with losing (and being reunited) with a person they are close to.
