15 June 2021

Dear parents and carers

Firstly, I would like to thank you all for continuing to wear masks on site. The cooperation by all adults on site has been fantastic and much appreciated.

Unfortunately, this year, we have received a steady flow of complaints from local residents and road users about parking on the Bloxham Road at the start and end of the school day. As members of the community we have a responsibility to drive and park sensibly so other vehicles and pedestrians can pass safely. The photos below (from a member of the public) show that it would be impossible for a pedestrian to pass if they are in a wheelchair or pushing a buggy. We fully appreciate that it is difficult to park near the school, but this is simply always going to be the case, for every school. Please endeavour to park safely and legally, and build time into your day to park and walk if needed... which we promote for the health benefits too! Please remember that you can park at the Horton Tennis Club and walk to school through the Easington park.

As I mentioned in a previous correspondence, many of our classes are working along an eco-friendly theme this term. Linked to this, Year 2 have written a letter to you all to launch their 'Harriers Zero Waste Day', which will be held on Tuesday 6th July. I hope you will all be able to support Year 2 with this fantastic endeavour. Please see their attached letter for more information.

Remember, it is non-uniform day this Friday! All pupils can wear clothing or a sports kit linked to their nationality or culture.

Yours faithfully,

Alex Pearson
Executive Principal

Dear Parents,

We are writing to you, because year 2 are holding Harriers' zero waste day (HZWD). Harriers zero waste day means that we are trying to make as little rubbish as possible (Hopefully none!)

If your child has a lunchbox, please can you put the food in pots or anything except single use plastic. If you have a packet of crisps in your lunchbox, please buy a big bag of crisps and put it into a pot. If you have a reusable water bottle please bring it in instead of a single use plastic bottle.

Harriers' zero waste day is going to be held on Tuesday 6th July 2021.

Year two can't wait to see how it turns out!

Yours sincerely

Year 2
