

Alex Pearson – Executive Principal

1st July 2021

Dear Parents/Carers,

Your children have experienced lots of upheaval this past year in relation to Covid, so we thought it might be reassuring for them to have information as soon as possible regarding next year.

Please see below our teaching teams for September. Pupils will be told their class team in advance of their transition day on 13<sup>th</sup> July, when they will meet their new teacher and class.

We are excited to be welcoming two teachers for September, Miss Higley and Miss Beagley. We are also pleased to confirm that Mrs Quarcoo and Mrs Moulder will continue in their Teaching Assistant roles they started this term.

At the end of this academic year we will say a fond farewell to Mrs Goulding who has been Assistant Principal, dedicated member of the Senior Leadership Team and class teacher here for 15 years. In her time at Harriers, Mrs Goulding has been an outstanding class teacher, having a huge impact on her pupils' learning and supporting her colleagues. Over the past two years she has led the redevelopment of our entire curriculum and has passionately ensured it provides all pupils with a fun, engaging, informative learning experience. We will sorely miss Mrs Goulding's expertise and support. Mrs Goulding has commuted from Warwick for 15 years because she loved being at Harriers, but she has decided it is time to move to a school much closer to home so she can spend more time with her family instead of on a motorway. We wish her every success.

Teaching Teams 2021-2022				
Phase	Year	Class	Teacher	Teaching Assistant
