Multi skills. These activities are based around the fundamentals of movement and play, agility, balance, coordination and speed. Activities are fun, working on the fundamentals and how to progress them to improve.

Fun and games. These activities are all about engaging the children and encouraging them to participate. Clap catch, parachute games, splat and more are used as introduction games.

Team games. These are normally played in the afternoon after skills have been developed throughout the day. Obstacle relays will be played along with team games such as rounders, kwik cricket, and many more.

Arts and crafts. These will run in the afternoon to cool down and cater for young people who enjoy arts and crafts.
