MOBILE PHONE PERMISSION – YEARS 5 AND 6

Children wishing to bring their mobile phone to school and keep it on school premises must first obtain permission from the Principal. Permission will be issued on the following conditions but may be withdrawn and the phone could be confiscated if the conditions are not observed. We regret we are **unable to take any responsibility whatsoever** for the security and safety of the phones on our premises.

CONDITIONS

1. Parents must give permission for their child to bring a mobile phone to school
2. Phones should only be brought to school if parents feel that their child needs it as an additional safety precaution on the way to and from school
4. Phones need to be switched off at the school gate and must not be used on the school premises
3. Phones must be handed to the class teacher before registration
5. They should be used only to communicate with parents to and from school
6. Children must always use their phone safely and sensibly

Please complete the Parent Consent slip below and email it into the School Office or return to your class teacher.

On return of the slip below, unless you hear from us, permission will be granted with the completion of this form.
