Dear Parent/Carer

APPOINTMENT OF PRIMARY PARENT GOVERNOR: CALL FOR NOMINATIONS

Local governance of academies run by the Aspirations Academies Trust is undertaken through Regional Boards that operate under the Terms of Reference determined by the Trust's Board of Directors.

The Trust currently has a vacancy and is seeking to appoint one primary parent governor to the South Central Regional Board in advance of the next meeting of the Board taking place on 23 January 2023. We are very keen to encourage parents (or people with parental responsibility) of registered pupils/students to nominate themselves for consideration.

Parent governors play an important role on the Regional Boards and share with other governors the responsibility for carrying out monitoring and questioning responsibilities. Governors do not run the academy day to day, as their role is at a strategic level. You do not have to be an expert on education - we value the experience that all governors bring to the role.

If you join our Regional Board as a parent governor, you will serve for a three year term, subject to you continuing to be a parent of a child/children of the relevant age range, at one of the Trust's academies. Being a governor does take up time. There are four scheduled meetings each academic year during the working day (generally in September, January, March and June/July). Meetings usually take place from 10:00am to 1.00pm and may be held at any one of the academies in the Region. You will need to set aside time to be able to be an effective governor; time to prepare for meetings (mainly reading documents), attending meetings and undertaking training where necessary.

The Aspirations academies with primary age range pupils in the South Central Region are:

- 1. Dashwood Banbury Academy**
- 2. Harriers Banbury Academy**

If you have any questions about the role of a parent governor, in the first instance please email compliance@aspirationsacademies.org.

To put yourself forward as a candidate, it is necessary to complete the official form (see attached), no other communication, written or verbal can be accepted for this purpose. The completed form should be returned to your child's school office in a sealed envelope clearly **marked "Parent Governor Nomination"** by **20th October 2022**.

If the Trust receives more nominations than there are vacant positions, it will be necessary to conduct an election process which would be open to parents of primary age children at the above schools. I would communicate further if this becomes necessary.

Yours faithfully

John Reece

PRIMARY PARENT GOVERNOR ELECTION – SOUTH CENTRAL REGION: NOMINATION FORM

This form, along with the declaration form, should be returned to the school office or sent directly to compliance@aspirationsacademies.org by Thursday 20th October 2022

Who can be a parent governor?

All those who have parental responsibility for a primary age child at an Aspirations Academy in the South Central Region and are over the age of 18 are eligible to nominate themselves for election. There are some circumstances that disqualify an individual from serving as a school governor. If you wish to stand, you will be asked to complete a self-declaration of eligibility form to state that there are no reasons for being disqualified from serving as a governor and provide evidence of identity and address if required.

All elected governors will be required to have an enhanced Disclosure and Barring Service (DBS) check. (This will be organised through the academy at no cost to the governor).

How to nominate yourself

If you would like to put your name forward you should use the space provided to write a brief personal statement (approx. 200 words) to support your nomination including why you are interested in becoming a parent governor and what you could bring to the role.

If there are more nominations than vacancies, an election will take place. The statements of all candidates will be typed in a standard format and circulated with ballot papers to all parents of primary age children at an Aspirations Academy in the South Central Region.
