Harriers Happy News

Term 3 - Week 6

Welcome to Harriers Happy News!

We are the 'Wellbeing Council'.

This year, we will be:

- Introducing the buddy bench.
- Helping you if you are sad or if you have something to talk about.
- Helping everyone in the school, even teachers!
- Helping everyone to be more confident to share their feelings.

Did you know?

A group of owls is called a parliament.

When monkeys tickle each other, they laugh too!

Elephants are the only animal that can't jump!

A group of parrots is called a pandemonium or company.

Slugs have four noses.

Endorphins are chemicals released into the brain, that help your mood. Keep smiling because this is a great way to boost your endorphins!

Just like a cold, happiness is contagious.

A group of woodpeckers is called a descent.

Happy News!

The sun made an appearance this week, even though the mornings were frosty. Ducklings have been soaking up some rays in Forest School - Mrs Bell couldn't stop smiling!

In Early Years, the children made yummy pizzas for their end of term treat.

Doves have been busy making minibeast houses in Forest School. There are going to be some very happy bugs with somewhere new to live!

The tooth fairy has visited several children in Year 1 this week because our teeth keep falling out!

Year 2 have been singing and dancing for Children's Mental Health Week, and feeling the positive effects of breaking up their day with some movement.

Happy News!

There are 195 countries in the world, and Kingfishers class can recognise all of their flags. Their current personal best time for this is... A very impressive achievement!

There are lots of happy children in school this week who are pleased to have won the Aspirations Awards for their class.

Happy News!

We have got some budding bakers across the school!

Happiness Challenge

This week was Children's Mental Health Week, with the theme being 'connecting with others'. Over the half term, can you...

1. Write a letter and post it to someone you love but you don't see often.
2. Spend some time doing something you enjoy as a family. Can you bake a cake? Can you have dinner together? Can you watch and film together?
3. Arrange to see a friend and play!

Happy News Competition

We need a budding artist to design a new logo for our 'Harriers Happy News'.

Please draw a small logo (no bigger than A6) and give your design to Miss T by Friday 24th.

Everyday Heroes!

Alan in Year 5 is an everyday hero for all of the teachers. He brings us our registers every morning so we are ready for the day.

Thank you Alan!
