Pupil premium strategy statement September 2023

Harriers Banbury Academy

This statement details our school's use of pupil premium (and recovery premium for the 2023 to 2024 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	Data
School name	Harriers Banbury Academy
Number of pupils in school	417 (including nursery)
Proportion (%) of pupil premium eligible pupils	24% (31 of which have SEND) 18 asylum seeker
Academic year/years that our current pupil premium strategy plan covers (3 year plans are recommended)	2021/22 to 2023/24
Date this statement was published	September 2021
Date on which it will be reviewed	July 2023
Statement authorised by	Steph Coley, Principal
Pupil premium lead	Jo Agate, Vice Principal
Governor / Trustee lead	Mandy Lancy (Regional CEO)

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£149,865
Recovery premium funding allocation this academic year	0
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	
Total budget for this academic year If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year	£149,865

Part A: Pupil premium strategy plan

Statement of intent

Our vision at Harriers Banbury Academy is to cultivate high quality education in a supportive environment, enabling our pupils to become happy, confident individuals - ready to take on the world. This is underlined by our mission 'Learning to Fly'.

Our vision and mission was created with our disadvantaged pupils at the forefront of our thinking as we know that if they achieve well, all of our pupils will achieve well. Through research, networking and sharing of best practice, we know that the greatest impact on disadvantaged pupils' learning is quality first teaching and addressing cultural capital. We therefore ensure that high quality teaching and learning, a wide engaging curriculum and extracurricular opportunities are in place for all of our pupils. We closely track their progress, academic and wellbeing, and provide additional support where required through targeted interventions, in class support or a strong nurture provision.

We utilise our additional funding to ensure disadvantaged pupils receive quality first teaching, additional support and resources as required, can fully access our curriculum and have the same extracurricular opportunities as their peers.

In order to achieve these outcomes we will:

- ensure high quality first teaching is paramount to the attainment and progress of pupils
- aim to achieve positive progress for all disadvantaged students
- ensure all pupils achieve at least FFT 50 (Y6 2023/24)
- improve engagement for disadvantaged pupils
- improve attendance for disadvantaged pupils.
- ensure that a broad, rich, curriculum is accessible for all
- use assessments to find gaps in learning and rapidly plug these gaps

Challenges

This details the key challenges to achievement we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
	Our monitoring and discussions with pupils indicate that some of their basic needs are not met (e.g. sleep, water bottles, no breakfast)
1	Discussions with parents indicate that the family are in economic difficulty and therefore cultural capital for the pupils is limited.
2	Attainment of disadvantaged pupils is lower than 'others' which has been highlighted through Pixl assessments. Increased progress in Reading, Writing, Maths, Phonics and Spelling is required to close these gaps. This is exacerbated as 31% of these disadvantaged pupils also have SEN needs.
	Through surveys, conversations with pupils and responses to parent's workshops/homework/online learning we know that there is less engagement of parents in disadvantaged families.
3	To improve parental engagement and engage families in order to support pupils learning out of school. Through social disadvantage

	and EAL, it has been identified that progress in early literacy, speech and language and reading is an issue.
4	Through 'I know my class' surveys it is clear the disadvantaged pupils have limited life experiences and cultural capital which would enhance their learning.
5	Observations and monitoring has shown that there is an element of apathy to some disadvantaged pupils so the aim is to improve positive learning behaviours.
6	Close date tracking has indicated that the attendance of the disadvantaged pupils is below that of the 'others' so improving attendance is crucial.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria	
Improve attainment and progress outcomes for disadvantaged pupils, specifically in Reading and Phonics	 Achieve in line with FFT 50 targets KS1 and 2 statutory assessments to be in line with national expectation Phonics screening results in Y1 (and Y2 retake) to be in line with national average Bespoke and targeted interventions and Pixl therapies to be used to close gaps in a timely manner For 2022 - 2023 PP attendance was 87% and whole school attendance was 92%. (A gap of 5%) 	
Improve engagement for disadvantaged pupils through a broad, balanced and engaging curriculum	 Curriculum is purposeful, relevant and linked to real life. Staff use a range of techniques to engage pupils. Celebration books are used to map pupil journeys through school and shared in assemblies. Long term planning includes future skills, employability and cultural capital. Increased engagement by parents will support pupil learning and engagement. 	
Improve attendance of disadvantaged pupils	 Improve attendance to national average Overall absence rate for all pupils being no more than 8% and the attendance gap between disadvantaged and non-disadvantaged pupils is not more than 5% Persistent absenteeism is below 12% and the figure amongst disadvantaged pupils is not more than 20% higher than their non-disadvantaged peer 	

	 Use OCC attendance team to penalty fine parents if necessary Increased engagement by parents will support pupil attendance.
Improve life experiences for disadvantaged pupils through trips, visitors, clubs and the curriculum.	 Pupils have increased life experiences that directly impact their learning and life opportunities. Long term planning includes 21st Century skills, employability and cultural capital. Long term planning includes life experiences (mapped and celebrated in celebration books) Trips and visitors are mapped throughout the school to enhance experiences. Disadvantaged attendance at extracurricular clubs will increase significantly through targeted support. Disadvantaged families will be supported so they can access trips and clubs. Interventions will support the progress of RWM so pupils can access the broad curriculum offered.
Improve wellbeing for all disadvantaged pupils.	 Pupils' basic needs are met so they are ready to learn (breakfast etc.) Pupils have staff members they can talk to which will support their wellbeing and mental health. Intervention and social skills groups will support pupil wellbeing to help them feel happy and confident in school. Pupil resilience will increase.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £45,000

Activity	Evidence that supports this approach	Challenge number(s) addressed
Phonics Purchasing of new decodable reading	The EEF guide to pupil premium tier 2 approach	2, 3
framework books which match the GPC already taught.	'Targeted small group and one-to-one interventions have the potential for the largest immediate impact on attainment.'	
Further embed the teaching and learning of phonics/spelling across the school, through embedding the 'Sounds write' scheme across the school.	Evidence that phonic scores are lower than national	

CPD time for all relevant staff (including new staff) have received training to deliver the phonics scheme effectively. Monitor that all year groups are teaching spelling explicitly and according to the scheme. 2021 - 2022 - Sounds Write embedded 2022 - 2023 - Further CPD. Purchase decodable books.	https://educationendowmentfound ation.org.uk/education-evidence/te aching-learning-toolkit/phonics	
QFT and addressing learning gapsOngoing use of summative assessment to assess and teach gaps in learning.Staff training, provided in house, on QLA, PiXL and precision teaching. Ensure staff are aware of underperforming pupils within groups (PP, EAL, GD, SEMH). PiXL membership.Use PixL assessments and QLA analysis to deliver targeted teaching & learning and interventions for pupils.2021 - 2022 - In place 2022 - 2023 - Further CPD (particularly for new staff)	Supporting staff with accurate assessment tools to be able to rapidly pinpoint and immediately address gaps in teaching will be vital. https://assets.publishing.service.g ov.uk/government/uploads/system/ uploads/attachment_data/file/1017 683/Maths_guidance_KS_1_and_ 2.pdf https://educationendowmentfound ation.org.uk/tools/assessing-and- monitoring-pupil-progress/testing/s tandardised-tests	2, 3

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £85k

Activity	Evidence that supports this approach	Challenge number(s) addressed
Staffing Staff CPD related to QFT, questioning and metacognition. Quality first teaching and specific interventions, including tutoring for disadvantaged pupils, delivered through T&L policy. Staff time provided to facilitate peer-to-peer	The EEF guide to pupil premium tier 1 approach 'Ensuring an effective teacher is in front of every class, and that every teacher is supported to keep improving, is the key ingredient of a successful school' EEF evidence reviews: What happens in the classroom	2, 3

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes 2022 - 2023

This details the impact that our pupil premium activity had on pupils in the 2022 to 2023 academic year.

Intended Outcome	Success Criteria	Impact/Evidence
	Evidence through reviews, learning walks and pupil voice indicates that pupils have developed positive learning behaviours. Children are happy and settled in school. There is good engagement in extra curricular clubs (evidenced in registers and waiting lists)	For 2022 - 2023 PP attendance was
Development of positive learning behaviours including attendance.	Pupil wellbeing is supported through discussions and calm time in class to help reduce pupil anxiety. The use of calm areas in class and the zen den has increased as pupils' need for nurture support has increased.	87.5% vs Non PPI attendance was 93.8%%. (A gap of 6.3%) This will be an ongoing area to action for our disadvantaged pupils.
allendance.	Pupils used the calm area increasingly. Learning walks and pupil voice showed engagement and enjoyment in learning.	100% of pupils said they felt safe in school and have a trusted adult to speak to.
	Attendance of disadvantaged pupils to be no more than 8% and the gap between disadvantaged and non disadvantaged does not increase beyond 5%.	
To ensure better or	Quality first teaching and Pixl interventions in place to accelerate progress.	End of KS2 SATS; All pupils combined - 61.7% Disadvantaged combined - 55.6% Non-disadvantaged combined - 64.3%
expected progress in R, W, Maths and Phonics for disadvantaged pupils.	Progress in phonics to accelerate due to the Sounds Write scheme.	In Reading Disadvantaged pupils outperformed non-disadvantaged with 66.7% compared to 64.3% (This shows that despite low starting points the school helps pupils to achieve accelerated progress)
		EYU GLD; All pupils - 62.1% Disadvantaged - 45.5%

		Non-disadvantaged - 66%
		Y1 Phonics; All pupils - 66.7% Disadvantaged - 33% Non-disadvantaged - 75% End of KS1 SATs; All pupils - 52.6% Disadvantaged - 29.4% Non-disadvantaged - 27.9%
Identified gaps in learning to be met and bespoke/targeted interventions in place.	Quality first teaching and Pixl interventions were in place. Thorough, strategic planning of the curriculum has ensured that pupils have been taught all elements of the curriculum for their year group. Evaluating the ATL curriculum throughout the year has ensured learning is maximised and personalised. Quality texts are in use to support gaps in vocabulary and develop Reading and Writing. Boosters and tutoring for pupils in all year groups took place where relevant in order to plug gaps.	See above
To increase parental engagement in order to support pupils learning at home.	Community events increased and were held in person so parents were able to come to school for their children's sports days, assemblies, nativites and coronation celebrations. Each year group held parent workshops (including 'Book and Brew') and class assemblies. Parents evening meetings had an option of in person or via zoom with positive attendance. Follow up phone calls made for non- attendance.	Increased attendance at events by parents of disadvantaged pupils with PP parents being offered priority appointments for parents' evenings.

Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England.
