Dear Stephanie Coley

Final inspection report

Harriers Banbury Academy

Following your recent inspection, we are pleased to share with you the final version of your inspection report. We will usually publish the report eight working days from the date of this letter on the [Ofsted reports website](#).

Many thanks for your comments on the draft report. I have considered them all and made a number of the changes that you requested. However, I have not changed the wording about pupils being 'expected to' since we are required to report on the school's expectations of pupils' achievement in the first section of the report.

If you experience any difficulties accessing the report on the Ofsted website, please contact us – the inspection support administrator listed below is your best point of contact.

If you are dissatisfied with your inspection report or the inspection process, you may submit a formal complaint using the form on the [Ofsted website](#). You should submit any complaint by the end of the fifth working day from the date of this letter.

Post-inspection survey

We invite you to complete our short post-inspection survey on the [provider portal](#) with your views on the inspection process. This includes your views on the impact the inspection is likely to have in bringing about improvement to your provision. By responding to this survey, you will help Ofsted improve the inspection process.

Yours sincerely

Alexandra Aldridge-Gibbons HMI
Lead Inspector
