Message from Mr Rabiasz

Dear Parents and Carers,

As we reach the half-term break, I want to extend a huge thank you for your continued partnership and support over what has been a very focused, busy, and productive few weeks. It has been a joy to walk through the corridors recently; the children have thrown themselves into their learning with real determination, and there is a wonderful sense of calm accomplishment across every classroom. From tackling challenging new topics to showing kindness to one another on the playground, they have truly done themselves proud this half term. I particularly want to mention our Year 6 pupils, who completed their SATs exams recently. They approached the week with fantastic maturity and resilience. We are incredibly proud of their efforts, and they have thoroughly earned a proper rest over the holiday.

Attendance

As we move into this busy final term, I want to say a quick thank you for your support with attendance. We've had a really good period of attendance across the school, and it makes such a difference to the children's progress and confidence when they are here every day. The summer term moves fast with sports days, trips, and transition activities, so we want to make sure no one misses out on these key moments. Every day in school really does count toward a successful end to the year.

I hope you have a lovely half term break and we look forward to welcoming you all back when the final half term of the year begins on **Monday 1st June**.

Kind regards,

Mr. Rabiasz

Nursery

We had two very enjoyable Den Building events with Nursery children and families last week.

Thank you to all the families who were able to come along to help!

Early Years

Early Years have concluded their learning about the circus by going on a school trip to Orinoco and making clown art, having a picnic in the park and looking around the Banbury Museum.

We were very grateful for all of the support during the Early Years 'stay and garden' session. The outside space is looking fantastic!

Year 1

In Year 1 we have been learning about how people help us. We had the fun and excitement of the firefighters from Banbury coming into school to talk about what they do and to show us their engine. We even got to fire water!

We've also been looking at how we can help other people and this week helped our school community by undertaking a litter pick of the school grounds.

Year 2

The Year 2 children had an incredible time at the Year 2 sleepover!

They made smores by the fire and played hide and seek around the school!

Year 3

We have been doing some cave paintings using our hands and objects to create outlines.

Toucans also had a visit from some tiny chicks and we spent time holding them and learning about how they grow.

Year 4

The Year 4 children should be feeling incredibly proud of themselves for their fantastic end to the term.

They have been completing PIXL tests throughout the past couple of weeks and showcased excellent resilience and determination.

It has also been a very practical week in science as the students were experimenting with melting points and the water cycle.

Year 5

Year 5 had a great time at the park as their class rewards. The children have been working so hard and showing phenomenal resilience in all their learning so it was very deserved!

Year 6

On Wednesday 20th, our Year 6 students embarked on an unforgettable West End adventure to London to see the spectacular musical, *Wicked*, at the Apollo Victoria Theatre. Before the curtains even went up, the children enjoyed a scenic sightseeing walk through the capital, taking in the sights of St. James's Park, Buckingham Palace, and the Horse Guards Parade on their route. The performance itself was absolutely spellbinding, and it's safe to say the whole trip was definitely "defying gravity!"

**Is your child nearly 3 years old?
Are you looking for a nursery place for them?**

We have spaces in our Ducklings class for next academic year.

Children can free flow from the classroom into our wonderful outside area. Children take part in many activities such as cooking, painting and enjoy investigating the forest school area.

There are no nursery admission fees - it's free to join - and your child will be given a 15-hour funded place the term after their 3rd birthday.

Please complete our online admission form via this link: <https://forms.gle/hjuefnUAXU3p4MB28>

JOIN THE FUN

There are spaces in bands at your school

iRock

Dear Parents/Guardians,

Spaces in iRock bands are available to join now - secure their spot and join the fun!

What is iRock? At iRock, children experience the thrill of being in a band! Led by our passionate and professional Band Coaches, our weekly in-school band sessions are open to all pupils from Reception to Year 6.

Music for all: iRock aims to create a welcoming and inclusive environment where every child feels they belong. Each week, children develop their musical skills, confidence, and teamwork as they work towards exam-free music qualifications – celebrating progress without the pressure of formal exams.

Feel like a rockstar! The excitement culminates every term in a live concert where children perform as a band for their families and peers. These performances are more than just a showcase—they're an opportunity for children to build self-esteem, enhance their confidence, and experience the joy of accomplishment.

iRock isn't just about music; it's about helping children thrive cognitively, socially, and academically through the power of music.

Key information:

- **No experience needed** and all instruments are provided.
- Parents/guardians can access our **online portal** for updates, pictures and videos.
- Hassle-free **monthly subscription** that can be cancelled at any time with a **first lesson money-back guarantee**.

Head to <https://www.rockschool.com/enrol> to check availability and start your child's iRock journey!

Hidden Disabilities

Some people have **disabilities that aren't visible**, like ADHD, autism, dyslexia, asthma or anxiety. These are called **hidden (or invisible) disabilities**. Even though you can't see them, they can still make everyday things harder.

- Some people need extra help even if they *look fine*.
- Be kind and patient — everyone learns and feels differently.
- If a friend seems upset or needs space, ask, "Are you okay?"

Parents:

Please take some time to...

Talk to your children about how not all disabilities can be seen.

Encourage your children to show understanding and kindness.

Share with school if your child has a hidden difficulty — small changes can make a big difference.

This week's hidden disability focus: Ostomy

An ostomy is a lifesaving surgery that changes how your body gets rid of waste, like stool or urine. This happens when part of your digestive or urinary system isn't working properly. Waste leaves your body through a new opening in your abdomen, called a stoma. An ostomy can be temporary or permanent, depending on your condition.

For more information, the Hidden Disabilities Sunflower website has easy-read bullet points that you can share with your children.

Safeguarding our children

➔ WHAT DO WE ACTUALLY MEAN WHEN WE TALK ABOUT SAFEGUARDING?

You will have likely heard the work 'Safeguarding' talked about at school or other settings, but not all parents are really clear on what it actually means or looks like for their child. In education settings, the term Safeguarding refers to the process of protecting children from harm. This includes protecting them from abuse, neglect, and exploitation. Safeguarding processes, policies and procedures are put in place to ensure that children are safe and happy, and that they have the opportunity to reach their full potential and thrive.

As a parent, you have a vital role to play in safeguarding your child. You are the first line of defence against harm. By being aware of the risks and taking steps to protect your child, you can help to keep them safe.

Safeguarding is not just about protecting children from physical harm. It's also about protecting them from emotional harm. This includes protecting them from bullying, cyberbullying, and other forms of emotional abuse. Parents and carers also play an enormous role in teaching children about personal safety, online safety, and dangers they may encounter in their everyday lives and by being proactive, informed, and involved, parents can significantly contribute to their children's safety and wellbeing.

Fostering in Oxfordshire

in **Fostering Oxfordshire**

You care with our support

Being a foster carer is rewarding but, we'll be honest, it's not easy. Our children and young people have often been through a lot and can need plenty of support. But every day we see the impact that support has. Seeing them grow in confidence – well, nothing beats that.

Fun trips to the shops, cuddles after a bad dream, helping with homework, being there during those tricky teen years – foster caring is about providing stability, positivity and reassurance when a child needs it most.
